This series features a 2-in-1 design, allowing for independent adjustments of wattage and color temperature via a slide switch. Perfect for lighting up parking lots, auto dealerships, walkways, and more.

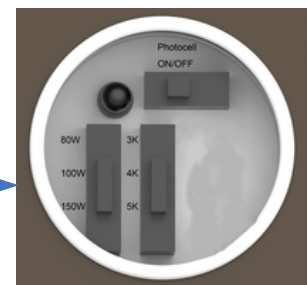

- Lumen Output Option: 150 LM/W
- LED: Lumileds, 2835, Ra70
- CCT: 3000k/4000k/5000k Selectable
- Input Power: 320W can realize 320W/240W/200W
- Dimmable: 0-10V
- Operating Temperature: -40°C to 40°C
- PF: >0.9
- Warranty: 3 years
- 10 Kv SPD
- Color: Black
- 3 Mounting options
- IP65
