

Baby Bio Leaf Shine

Ready to Use Aerosol Spray

Description

Aerosol spray designed for houseplants with smooth, waxy leaves.

Formulated to breakdown and remove dust from leaf surfaces.

Keeps houseplants clean, shiny and healthy

Directions for Use

Ensure the soil is damp before applying Leaf Shine.

Shake can thoroughly before use.

Apply spray 12 inches away from leaves using a light sweeping motion to ensure even distribution.

Only apply Leaf Shine to the upper leaf surfaces

Reapply monthly to keep houseplants looking their best.

NB. Clean leaves can enhance plant physiological processes and resistance to pest & disease
